With our exclusive patented Pendulum™ Footrest Bar students have a new way to sway! The footrest allows students to swing their feet providing extra movement to burn off excess energy. In addition, it helps to correct posture. The steel frame with Black powder coat finish is built for long lasting durability. The MDF top is covered with extremely durable 3D thermoplastic laminate, available in standard top Beige (BE) or premium top Gray (GR). Lower shelf provides additional storage of books and supplies.
