Height Adjustable Workstations offer the flexibility to accommodate the needs of different users, creating a comfortable and healthy work environment. Decorative molded side panels hide computer cables for a clean appearance. Durable powder-coated steel frame. The keyboard shelf extends 9" and retracts under the worksurface when not in use. Mobile on four casters (2 locking). Some assembly required. Available in Cherry (CY) and Medium Oak (MO). Model 1929 also available in Gray (GR). Workstations in 28" and 35" widths adjust from 29" to 34" in height. Features pull-out printer shelf and accommodates CPU up to 16½" high. 48"W x 25"D extra large worksurface. Adjusts in height from 35" to 49" for stand-up computer work.

| Model | Description | Overall W x D x H | Worksurface W x D x H | Keyboard Shelf W x D x H | Ship Weight | Price Each |
|-------|------------------------|----------------------|--------------------------|-----------------------------|----------------|---------------|
